Accommodations

We will make the new dorm rooms available for alumni use. Each room has two sets of bunk beds, a sink, toilet, and shower. We expect demand for these rooms to be high, so we will assign them based on a raffle to be conducted on March 1 with preference given to those parties that will make most efficient use of the rooms in terms of number of persons per room and nights stayed. (In the meantime, we strongly recommend that you make a tentative reservation at one of the motels in Greybull ASAP just in case – see separate sheet on lodging). Note that if you win a spot in the dorm rooms you will need to bring your own sheets, towels, and toiletries, so this is not quite like staying in a motel. Nonetheless, we will charge for these accommodations ($60 per night per room irrespective of the number of persons in the room). This is out of fairness to those who do not get a room in the dorms and have to pay to stay in a motel in Greybull. All proceeds will go to supporting the field camp.

There will also be plenty of space available for camping on the grounds or sleeping on the floor of the new classroom. The classroom is part of a building that also includes a laundry and two toilets, sinks, and showers. The toilets/sinks and showers are in separate rooms, so can be used by four individuals at once. There is also a toilet and sink in the main building that can be used by those who are camping/sleeping in the classroom. We will also have port-a-potties on site.

Please indicate the number of people in your party and your preference for lodging.

_____ ISU Field Station/personal tent or classroom floor (free)
_____ ISU Field Station/dorm room ($60/night/room – limited spots available)

Events in Cody – Sunday, July 5

These are fee based. The logistics are simplest if you pay the entry fees to the Heart Mountain Interpretative Center and/or Buffalo Bill Historical Center on your own at the time of entry, but pay us for the lunch at the BBHC and the rafting trip. Checks for the lunch and rafting trip should be made payable to “ISU Geology.” Payment can be mailed to us with the reservation form, or provided to us at the event.

You may go to the Heart Mountain Interpretative Center and Buffalo Bill Historical Center anytime you wish on Sunday. We don’t need counts for those. However, we do need an approximate count for the group tour at Heart Mountain and exact numbers for the lunch and raft trip.

Heart Mountain Interpretative Center. You pay upon entry to the museum. We will issue a badge that identifies you as part of the ISU group so that you may obtain the group discount ($5 for ages 12 and over, free under 12).

Number for group tour at Heart Mountain Interpretative Center (11:00 am).

Entry to Buffalo Bill Historical Center. You pay upon entry to the museum. We will issue a badge that identifies you as part of the ISU group so that you may obtain the group discount ($14 for adults, $8.00 for ages 6-17, free under 6). Admission is good for two days.

Lunch at Buffalo Bill Historical Center (12:30 pm). Lunch includes sandwich, chips, fruit, pasta or potato salad, cookie, and drink. You pay us in advance ($14/person). Please indicate number in party and how many vegetarian/non-vegetarian. We need a final count three days before the luncheon.

Non-vegetarian sandwich.
Vegetarian sandwich.

Rafting Trip (3:00 pm). Please indicate number in party. You pay us ($27 for ages 13 and over, $25 for under 13). We cannot guarantee spaces after March 31.
